ANNUAL VOLUNTEER APPRECIATION BANQUET HELD

The City of Haslet held the 8th Annual Volunteer Appreciation Banquet on Saturday, February 11, 2017 at the Heritage Baptist Church. The event is held each year to honor the men and women that donate their time to serve on the city's boards and commissions. These positions are important in that they enable citizens to participate in Haslet's government processes. Because governing bodies have many responsibilities, boards and commissions are created to focus on special issues, activities or programs and make recommendations to the governing body relating to their appointed purview. The citizens that volunteer to serve bring diverse skills and talents, new perspectives and often, a strong interest in subject matter to their task.

The program included guest speakers State Rep. District 93 Matt Krause and State Rep. District 98 Giovanni Capriglione. Both summarized what they consider to be the more important items being deliberated by the Legislature this session and also participated in a Q&A session. Again thanks to the city's boards: Planning and Zoning Commission, Capital Improvements Advisory Committee, Haslet Economic Development Corp. Type A, Haslet Community and Economic Development Corp. Type B, Parks and Recreation Board, Library Board, and the Zoning Board of Adjustments. For more information about serving on a board, contact the city secretary at 817-439-5931 ext. 102.
