City of Haslet needs photos for updated website

The City of Haslet is in the process of redesigning the city's website. We need high resolution photos to include on the website and are inviting you to submit photos. Photos will be reviewed for inclusion during the website redesign development process later this year.

Photographer credit will be given for photos selected. Please be sure to include your name and contact information with your submitted picture(s).

Photographs must be in color. Photographs with obscene content will not be considered. No digital enhancements will be accepted. If there are identifiable people in the photograph, and it was taken in a non-public space, it is the responsibility of the photographer to obtain permission to use the photograph and provide release at time of submission. Once submitted, photos/images become the property of the City of Haslet. Submit to dbuchanan@haslet.org. If you have any questions, contact City Secretary Dianna Buchanan at 817-439-5931 ext. 102.
