This is the fifth year in a row the library has received the award and the library is 1 of only 11 in Texas that received an award. Eligible libraries are grouped by total operating expenditures and then, within each of those groups, rated based on comparison of these five measures: library visits, circulation, program attendance, public internet terminal use, and electronic circulation, to the peer group’s means (or averages). Complete award details and rankings can be seen online at http://lj.libraryjournal.com/2017/12/managing-libraries/lj-index/class-of-2017/all-the-stars-2017-state-by-state.
