SURVEY FOR PARKS AND RECREATION PRESENTED TO THE PARKS BOARD AND CITY COUNCIL PRIOR TO DISTRIBUTION

CITY OF HASLET SURVEY PARKS, RECREATION & OPEN SPACE MASTER PLAN

March 5, 2019

Dear Haslet Resident:

The City of Haslet is preparing to update its Parks, Recreation & Open Space Master Plan which was adopted in 2012. Since the plan's adoption much has changed regarding the City's parks. Once the master plan is updated, it will serve as a guide for improvements to the city's parks and recreation program.

An important component of the master plan update is a survey which is attached on the reverse side of this correspondence. This survey is important and allows you to be involved in this process. Your answers to the survey, in aggregate, will be used to develop a plan reflecting the desires of Haslet residents. We ask that each adult household member complete a survey. Additional copies can be picked up at City Hall or printed from the city's website. Please return completed surveys to the City in the enclosed envelope by mail, drop off at City Hall or email to dbuchanan@haslet.org. If you need to print additional copies or prefer to take and submit the survey online, please go to <http://haslet.org/519/Parks-and-Rec-Survey>. The deadline to return surveys is Monday, April 8, 2019.

This survey is for Haslet residents only and staff will need to confirm your residency so be sure to include your name and address. Surveys that cannot be validated will not be included in the results.

On behalf of the Haslet City Council, I would like to thank you for your willingness to take time from your day to complete and return the survey. Results of the survey will be published to the website and in the city newsletter after they have been compiled.

Sincerely,

Bob Golden
Mayor Bob Golden
