## CONSTRUCTION PROJECTS MOVING FORWARD

It is hard not to notice that there are several commercial construction projects going on near Avondale-Haslet Road and FM 156.

In LeTara Village, a Sonic Restaurant is being built. The company projects that the location will be open to the public within the next month. The building being constructed just north of the same intersection on the east side of the road is a 10,000 square foot medical/professional office building. The office spaces are for lease and depending on occupancy success, the site may add two similar buildings. On Schoolhouse Road, a 4,000 square foot professional office building is under construction. One tenant known in this building will be an insurance company.

SONIC ARTISTIC RENDERING COMPLETED STORE

Residential construction starts are up as well. There are eleven new homes currently underway with The Meadow Phase 2B leading in the number of active residential projects. We look forward to welcoming these new businesses and neighbors to our City.

\*Due to State of Texas regulations, Medicaid recipients are not eligible for the StarSaver program.

It's unfortunate, but medical emergencies and accidents do happen, and they can happen to anyone.

Did you know the average cost for an emergency transport by ambulance is more than \$1,000 per transport? Does your insurance policy cover this? Are you financially prepared? Even with insurance coverage, there are deductibles and co-payments to consider.

City of Haslet residents are served by MedStar Mobile Healthcare. MedStar provides professional emergency service with trained medical staff and the very latest medical equipment.

To help with the expense of an

unexpected ambulance transport, MedStar now offers a membership program for reduced fee emergency transport. The membership program is called StarSaver. A StarSaver membership is available to anyone\* who lives or works in the MedStar service area. This membership can protect your entire household with unlimited emergency transports for the full year of your active membership. The membership covers anyone who permanently resides in your household, who is included on your application!

The StarSaver annual membership is only **\$55** for members with health insurance or **\$110** for those without insurance. The membership fee is an annual fee.

If you are a Medicare recipient, after a denial from Medicare for emergency transport expenses, a StarSaver member will receive a 40% discount of total billed charges.

Don't waste precious time hesitating to call 9-1-1 because you're worried about the ambulance bill. Give your family the gift of security and peace of mind through a StarSaver Membership. Call MedStar at 817-632-0535 for more information.

StarSaver Applications are available at City Hall, or by visiting [www.medstar911.org/starsaver-membership](http://www.medstar911.org/starsaver-membership)
