## HASLET AWARDED DISTINGUISHED BUDGET PRESENTATION AWARD

The Government Finance Officers Association (GFOA) has awarded a Distinguished Budget Presentation Award to the City of Haslet for its annual budget for the fiscal year beginning October 1, 2015. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communication device. This is the first year that the City's budget has received this recognition. The Distinguished Budget Presentation Award represents a significant achievement by the City of Haslet. It reflects the commitment of the governing body and staff to meet the highest principles of governmental budgeting. Finance Director Debbie Maness also received a Certificate of Recognition for Budget Presentation from the GFOA as being primarily responsible for the city having received the Distinguished Budget Presentation Award. City Council acknowledged these accomplishments and congratulated staff at the regular meeting held June 20, 2016.
