City of Haslet Achieves Traditional Finances Transparency Star Award

The City of Haslet has been awarded the Traditional Finances Star in the Texas Comptroller Transparency Stars Program. To achieve this award, the City met the program guidelines for providing financial information via the City's website that is transparent to the public, that provides clear information regarding city spending, and is in a format that is easy to use that can be searched. The main criteria for the award includes having the city's budget, audit, and check register available online to the public. The information is to be kept up to date. Some of the other recommended criteria to be included on the website is contact information for city council members and key staff; municipal codes; past city council meeting agendas and minutes; detailed summary information about current bonded debt and repayment; and a link to the Comptroller's governmental transparency website. This is the second year that the City has applied for and received a financial transparency award. The city will receive an award certificate and will be listed on the Comptroller's website at www.texastransparency.org with a link to Haslet's own website. Check out our financial transparency at www.Haslet.org.

This calendar is provided as a convenience. While every attempt is made to provide current and accurate information, please confirm meetings accordingly. More information at www.Haslet.org.

The General Election, which includes the election for Office of President of the United States, will be on Tuesday, November 8th. The last day to register for this election is October 11th. Early voting takes place from October 24th thru November 4th. If you have questions about registering, voting or voting identification requirements, check out the Texas Secretary of State's website at www.votetexas.gov. Please vote and encourage everyone you know to vote.

October is Breast Cancer Awareness Month

October is Breast Cancer Awareness Month, which is an annual campaign to increase awareness of the disease. While most people are aware of breast cancer, many forget to take the steps to have a plan to detect the disease in its early stages and to encourage others to do the same. To create your own early detection plan & for more information on detection, education & support services, check out the National Breast Cancer Foundation's website at www.nationalbreastcancer.org/breast-cancer-awareness-month.
